We will be happy to answer any questions.

All Funds FDIC Insured – BBB Rating A+ - Member RITA

Why don't I just use the IRA I have at the Brokerage firm?

Because most Brokerage firms only take investments that are "public offerings". This opportunity is a "Private Placement". Private Placements require special handling and most brokerages do not handle that type of investment. IRA Club is specifically set up to work with you and Private Placement investment opportunities.

Do the earnings from this investment go back to my IRA?

Yes.

Are the earnings that go to the IRA taxable income?

No, earnings sent to the IRA not taxable income to the IRA.

Is there a limit to the size this IRA may grow?

No, growth is unlimited.

When the earnings come into the IRA may they be;

- **Reinvested in the next opportunity I find?** YES.
- **Taken as a Distribution to me from the IRA?** YES.
- **Transferred back to my old brokerage house firm IRA?** YES.

What type of IRA may I use for this transaction?

- Traditional Self Directed IRA
- Roth Self Directed IRA
- SEP Self Directed IRA

Is there a Minimum Balance Requirement (MBR)?

YES, the account MBR is \$500 cash balance.

Are the funds in this account FDIC Insured?

YES.

May the account hold more than one investment at a time?

YES, the number of investments in the account is unlimited.

How much is it to start?

\$175 (a fraction of the amount you will save in taxes)

Are there restrictions?

Yes, if you are a "Principle" in this offering or a family member of a Principle, your IRA may not invest in this offering.
